The major objective of this conference is to bring together experts from the various fields of banking and finance to share their valuable industry insights with our audience. Over two days, financial organizations and business elites will share their innovative ideas and experiences during interactive sessions, discussion workshop and networking functions. It is an open secret that personal relations are crucial for doing business in Russia in the CIS, and our event gives you a chance to generate the contacts that will help you enter and win business in the Russian/CIS marketplace.

What makes our event so unique? Our program has been specially geared towards giving you ample time to network and develop your contacts in the informal “Team building” and “Networking” environment, that is why our program includes ethnic-style entertainment lunches and dinners at the exclusive restaurants and many other group activities.

Sincerely,

Maximus Capital Team
